1. SPECIFICATIONS: All work performed under this permit must be in accordance with the approved plans, specifications, maps, and statements filed with the Road Commission. The work must comply with the Road Commission’s current requirements and specifications and applicable MDOT specifications.

2. FEES & COSTS: The permit applicant shall be responsible for all fees and costs incurred by the Road Commission in connection with this permit and shall deposit estimated fees and costs, as determined by the Road Commission, at the time the permit is issued.

3. CASH BOND: The permit applicant shall provide a cash deposit, certified check, cashier’s check, money order, or irrevocable letter of credit drawn on a solvent bank for an amount acceptable to the Road Commission at the time the permit is issued.

4. INSURANCE: The permit applicant shall furnish proof of liability and property damage insurance in the amount stated below naming the Road Commission as an insured:
   - General liability – each occurrence ........................................ $500,000.00
   - Automobile liability – each accident ...................................... $1,000,000.00
   - Property Damage liability – each accident ............................... $1,000,000.00
   - Single Limit policy ................................................................... $1,000,000.00

   Said insurance shall be effective for a period not less than the term of this permit and shall provide evidence that it cannot be cancelled without ten (10) days advanced written notice by certified mail with return receipt required to the Road Commission.

5. INDEMNIFICATION: The Permit Holder shall hold harmless and indemnify, and keep indemnified, the Road Commission, its officers and employees from all claims, suits, and judgments to which the Road Commission, its officers and employees may be subject. The Permit Holder shall also hold harmless and indemnify, and keep indemnified, the Road Commission, its officers and employees for all costs and actual attorney fees which may be incurred on account of injury to persons or damage to property, including property of the Road Commission, whether due to negligence of the Permit Holder or the joint negligence of the Permit Holder and the Road Commission, arising out of the work under this permit, or in connection with the work not authorized by this permit, or resulting from failure to comply with the terms of this permit, or arising out of the continued existence of the work product which is the subject of this permit.

6. SAFETY: The Permit Holder agrees to work under this permit in a safe manner and to keep the road right-of-way affected by this permitted activity in a safe condition until the work is completed and accepted by the Road Commission.

7. RESTORATION AND REPAIR OF ROAD: The Permit Holder agrees to restore the road and right-of-way to a condition equal to or better, as determined by the Road Commission, than its condition before the work began. The Permit Holder further agrees to repair any subsequent damage, as determined by the Road Commission, to the road and right-of-way which is caused by the facility, or its maintenance, installed under this permit.

8. LIMITATION OF PERMIT: This permit does not relieve the Permit Holder from complying with regulations of other agencies or applicable laws. The Permit Holder is responsible for obtaining additional permits or releases which may be required in connection with this work from governmental agencies, public utilities, corporations, and individuals, including property owners. Permission may be required from adjoining property owners.

9. VIOLATION AND REVOCATION OF PERMIT: Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or by false information given on the application. Failure to comply with the conditions of this permit may be just cause for the immediate suspension or revocation of any or all permits and cause for the Road Commission to use bond money to restore the road and right-of-way to its satisfaction. This permit may be suspended or revoked at will. The Road Commission may require the Permit Holder to surrender this permit and alter or relocate its facilities within the right-of-way, or remove its facilities from the road right-of-way, at the permit holder’s expense. The Road Commission reserves the right to remove facilities from the road right-of-way and recoup its costs from the Permit Holder.

10. ASSIGNABILITY: This permit may not be assigned without the prior written approval of the Road Commission. If approval is granted, the assignor shall remain liable and the assignee shall be bound by all the terms and conditions of the permit.

11. This permit is subject to supplemental specifications, on file with the Road Commission, and Act 200 of Public Acts of 1969, as amended.
